HAPPY NEW YEAR FROM THE COORDINATING COMMITTEE!

We hope you enter 2024 inspired and ready to work for justice! On December 17th, Shepherd's Flock Baptist Church in Durham hosted our Mapping Training for the March 2nd Mass State House Assembly. The NC Committee and committed partners enjoyed fellowship and delicious food, and spent several hours planning to mobilize a powerful group of impacted people, faith leaders, and advocates to Raleigh and to the polls.

The NCPPC is also involved in several events leading up to March 2nd, including:

- December 31st - Watch Night Interfaith Service at Union Baptist in Winston-Salem
- February 5th - Press Conference and Letter Delivery in Raleigh announcing March 2nd

Interested in mobilizing your community for the March 2nd Mass State House Assembly? Want to help in other ways? Email us to let us know!

DID YOU KNOW?

In 1990, after the tireless work of disability activists, President George H.W. Bush signed the bipartisan Americans with Disability Act (ADA), which prohibits discrimination against those with disabilities in: employment, transportation, public accommodations, communications, and access to government services.
