North Carolina Poor People's Campaign

A NATIONAL CALL for MORAL REVIVAL

August 2024 Newsletter

The NC Poor People's Campaign is joining the Beloved Community Center for the Long March for Unity & Justice, taking place over 10 days and 12 stops across North Carolina, beginning in Asheville on September 20, 2024, and culminating in Wilmington on September 29.

The purpose of the march is to:
...**GROW** and **MAKE VISIBLE** the urgent need to join with others to build a powerful statewide transformative movement for truth, justice, healing, and reconciliation; a movement that impacts not only NC but also the nation.
...**HEAL** deep divisions & and growing wounds from our past.
...**UPLIFT** issues connected to communities.
...**MOBILIZE** communities to promote voter education and increase civic engagement actively.
...**FORGE** people's power and **TRANSFORM** oppressive systems and structures.

This September, **WE THE PEOPLE** will march together across our state, which is suffering from the ills of division and inequality, and build our power through unity and speaking the truth!
